

# FREE training for the care sector

Thanks to funding from the Marches Local Enterprise Partnership (LEP), Hoople is pleased to offer a comprehensive range of FULLY FUNDED courses targeted at the care sector.

You can choose from:

- Mental health
- Dementia care
- Infection prevention and control and personal hygiene
- Disability
- Acquired brain injury
- End of life care
- Stroke care
- Diabetes

And many more!

For further information or to book a place on any of the programmes listed overleaf, please visit CPD online:

<https://hoople.herefordshirecpd.co.uk/>

If you are interested in an in-house programme for your team of five or more people or would like to discuss a courses not listed in this flyer, please call or email our Training team:

01432 383500

E: [training@hoopleltd.co.uk](mailto:training@hoopleltd.co.uk)

## Eligibility criteria

You must employ fewer than 250 staff (FTE) and will be required to complete some preliminary paperwork prior to commencement of the course.

All participating candidates will also be required to provide proof of identity.

# Marches LEP funded training programmes for the care sector

Please see below a calendar of our scheduled LEP funded training programmes for the care sector. Please book your place(s) via CPD online: <https://hoople.herefordshirecpd.co.uk/>

If you have five or more employees wishing to undertake the same course, please get in touch as we may be able to arrange a bespoke programme for you, delivered at your own premises. Please also get in touch if you are interested in a training programme that you can't see listed below as there are many other options available.
